

Join the tech scene of tomorrow: www.slash.berlin

What

The latest student hosted **Hackathon** in Berlin

When

Friday, 29. – Sunday, 31.03.2019

Where

CODE University of Applied Sciences, Berlin

Why should you join the Slash-Hackathon?

1. Join our startup-tour, workshops, BarCamp and explore Berlin-Valley.
2. We connect you to like-minded people – from developers over designers to business students.
3. We provide you the perfect environment – free food and accommodation.
4. Our experienced mentors support you to get to the next level.
5. We give you the chance to pitch your project, extend your idea and find your future Co-Founder.

What is Slash?

Slash is a **student initiative** of CODE University of Applied Sciences in Berlin with the mission to empower the **Tech Scene** of tomorrow.

After attending several hackathons we realized that we can't stay in our university **bubble**, but need to **connect** with other students from all over the world to learn and **grow** together.

So we founded //Slash in October 2018 as a team of 11 students. The **Hackathon** is the first event to start **empowering** people with the same visions and ideas while staying in a Tech related surrounding.
